Mayor Skip Lee
City Council Members
City Manager Scott Shumard

I am submitting the Sterling Police Department 2012 Annual Report for your review.

In 2012 calls for service decreased by 10% to 19,553. We believe this was largely due to less hire back traffic grant opportunity from I.D.O.T. and minimal snow and other weather related issues.

Traffic accidents decreased by 2% in 2012. This was the eighth consecutive year of accident decreases - in spite of a reduction in D.U.I. arrests and traffic citations.

We will continue our zero tolerance attack on the gang and drug problem in Sterling, Rock Falls and Whiteside County in cooperation with local and state agencies. Controlled substance arrests increased in 2012. We believe that by attacking the drug problem we will reduce gang activity and violent crime within our area.

Our multi-tiered approach to the gang and drug problem through enforcement, education and community involvement is a necessity. We have been instrumental in the formation of the Whiteside Community Action Network (WeCan) and we will work within that group to find new approaches to deal with the drug problem.

Our additional goal in 2013 will be promoting community safety through communication with the elderly, school safety and traffic enforcement.

Thank you once again to Support Services Supervisor Claudia Garcia and her staff who pulled this report together. As always I am grateful to our officers, support staff, community members and city officials for making Sterling a great community.

Sincerely,

Ron Potthoff

E911

The Whiteside County 911 System is an Enhanced 911 or E911 system. This means that the caller location and call back number are provided to the dispatcher at the time the call is placed.

There are three 911 Public Safety Answering Points or PSAP's in Whiteside County. Depending on the location of the caller, 911 calls are answered at the Whiteside County Sheriff's Office, the Sterling Police or Rock Falls Police Departments. From there the appropriate Police, Fire or EMS agency is dispatched to handle the call. The CGH Dispatch Center is considered a secondary PSAP, as 911 calls are not answered there directly, however any of the three PSAP's can transfer 911 calls to them requiring Sterling Fire, Rock Falls Fire or CGH EMS services.

Our 911 system has the ability to plot the incoming call by location on a GIS based map to further help in locating the emergency and determining what agencies should be dispatched to handle the call. Landline calls are plotted on the map based on the address associated with the phone service. Cellular calls use different technologies to provide latitude/longitude coordinates with the caller information and that is then used to plot the location on the map.

New technologies like VoIP – voice over internet protocol or cable phone service, should provide caller information during a 911 call, but this may depend on the service provider. Also, some of these services are not required to support 911.

Newer technologies that may be able to contact 911 in the future are text messaging, picture messaging or any other new services that may be created.

STERLING POLICE CHAPLAINS

The Sterling Police Chaplain's Program celebrated its 14th year in August 2012. We now have a staff of seven dedicated to the ministry and the care of our Community. These seven volunteers are committed to serving the needs of the men and women who protect and serve, and the citizens of the Sterling/Rock Falls area. They are here to provide encouragement, comfort, and guidance.

Chaplains rotate on call on a weekly basis and are available to be called out to assist in delivering death notices and respond to the scene of suicide and other tragic events.

In 2012, Chaplains were "called out" on 14 occasions. Beyond this, Chaplains often take the opportunity to ride along with the Officers on patrol and respond with them to all manner of situations.

D.A.R.E.

2003 Survey

The Sterling Police D.A.R.E. program is funded by the Sterling Police Department and community fundraising. The program has been presented in Sterling schools since 1986. Locally in Sterling all schools indicate that the program does make a difference.

Introductions are made in 4th grade with the V.E.G.A. (Violence Education and Gang Awareness) program. In 5th grade the students receive the seventeen-week D.A.R.E. core curriculum. Junior high age students receive the G.R.E.A.T. (Gang Resistance Education and Training) program and the high school students complete their D.A.R.E. component with information about drinking violations, felonies, misdemeanors, and curtailing violence. Students therefore have character building educational contact with uniformed officers into their high school years.

Responding to critical studies, D.A.R.E. in Sterling is offered at various grade levels. A district wide survey was held asking parents if D.A.R.E. should continue in Sterling schools. The survey was overwhelmingly in favor of keeping the D.A.R.E. program. 97.7% of the parents responded with positive feedback of the importance of keeping the D.A.R.E. program alive and in their child's life. Out of the 398 responses, 1% of those surveyed were unsure, 1% was against, and 1% had younger students that have not yet had the D.A.R.E. program.

Below are the questions that were submitted to the parents of our schools.

- Do you think we should keep D.A.R.E. in the schools? YES _____ NO _____
Why? Or Why Not?
- Do you think the D.A.R.E. program has had a positive impact on the students to resist negative peer pressure? YES _____ NO _____ Why? Or Why Not?
- Do you see the police/student relationship in the schools as being positive?
YES _____ NO _____ Why? Or Why Not?

The following is the response of 398 families that responded to Kindergarten through 5th grade D.A.R.E. survey

# of Yes	# of No	# of Not Sure	# of Not Familiar	Total
389	3	3	3	398

Sex Offender Registration & Community Notification

Habitual Child Sex Offender legislation was passed in 1986 requiring any person in Illinois convicted of two felony sex crimes against a child to register with the Illinois State Police. Since the enactment of this legislation, a series of amendments have been made providing for additional registerable offenses. Presently known as the Sex Offender and Child Murderer Community Notification law, all individuals convicted of criteria sex offenses against victims of any age are required to register with the law enforcement agency jurisdiction in which they reside.

The Sex Offender Registration and Child Murderer Community Notification Program is a multi-agency program which involves all law enforcement agencies, the courts, the Illinois Board of Education (IBE), the Illinois Department of Children and Family Services (DCFS), the Illinois Department of Corrections (IDOC), schools, and licensed day care facilities.

The Illinois State Police Special Operations Bureau administers the program and the Law Enforcement Agency Data System (LEADS) serves as the repository for all information.

Categories

Criminal Sex Offenders

The criteria for registration is based upon criminal convictions. Sex offenders are required to register for a period of 10 years. The majority of sex offenders fall into this category.

Sexual Predators

This type of sex offender includes offenders who are adjudicated to be sexually dangerous or sexually violent, and those who are convicted of certain criteria offenses after July 1, 1999, or convicted of a subsequent offense. Sexual Predators are required to register annually for their natural life.

Sexually Dangerous

The court may determine that an offender is sexually dangerous if he or she has shown propensity for committing sex offenses, and suffers from a mental disorder. There are 141 sexually dangerous offenders currently incarcerated in Big Muddy Correctional Facility. These offenders can only be released from IDOC when the court has determined that he or she is no longer sexually dangerous. Upon release, these offenders are required to register every 90 days for the rest of their natural life.

Sexually Violent

Sexually violent offenders are evaluated prior to their release from prison and submitted for court review. If the court determines the offender is likely to re-offend, the offender will be placed under the jurisdiction of the Illinois Department of Human Services (IDHS) for control, care, and treatment until they are no longer considered to be sexually violent. A sexually violent person may continue to be incarcerated or may be released. Sexually violent persons are housed at the Treatment and Detention Facility located in Joliet, Illinois. There are 197 offenders in Illinois who are considered sexually violent persons.

Registration

Offenders have 10 days after notification to register with the law enforcement agency in the jurisdiction where they reside. If the offender resides within a municipality, he or she must register with the police department. If the offender resides within the county or within an unincorporated area, the offender must register with the sheriff's department.

Duties of Registrant

Offenders convicted of selected offenses or more than one offense are required to register annually for their natural life. All other offenders must re-register in person every year for 10 years.

Probation

Ten years from date of conviction.

Incarceration

Ten years after their release, discharge or parole from corrections, hospitals or mental health facilities.

Offenders changing addresses must notify the current agency of jurisdiction in writing of their move and report to the new agency of jurisdiction in person within 10 days.

Community Notification

Mandatory Notification

The Illinois State Police provides listings of licensed day care providers and schools to all sheriff's offices and the Chicago Police Department. These agencies, in turn, provide lists of sex offenders, including juveniles, to all schools and licensed child care facilities in their respective jurisdictions.

Discretionary Release

Law enforcement agencies have the discretion to release sex offender information to anyone likely to encounter a sex offender.

Public Access

Individuals may obtain information concerning sex offenders at the Illinois State Police website, www.isp.state.il.us. Information may also be obtained from any police department or sheriff's department.

Statistics

As of September 30, 2003, there have been 18,228 convicted sex offenders identified and entered into LEADS. There are 766 adjudicated juvenile delinquent sex offenders in the database. Illinois law prohibits the dissemination of juvenile information to the public. Approximately 87 percent of the sex offenders in Illinois committed crimes against victims under the age of 18. The remainder of offenses were against adult victims. Of the convicted offenders, approximately 2 percent are female.

Enforcement

All law enforcement agencies are aggressively pursuing sex offender violators. The overall compliance rate for sex offenders residing in Illinois is 87 percent. Failure to comply with the Sex Offender Registration Act is a Class 4 felony. If convicted, an offender must serve at least seven days in the county jail and pay a minimum fine of \$500, plus any other penalties required by law.

JUVENILE OFFENDER INFORMATION

A juvenile sex offender is defined by the Sex Offender Registration Act as "any person who is adjudicated a juvenile delinquent as the result of the commission of or attempt to commit a violation set forth in..." the Act. Registration of these offenders began July 1, 1999.

Top Five Counties for Juvenile Sex Offenders

Of the 18,381 sex offenders required to register, 813 offenders (4.4 percent) are juveniles. Juvenile sex offenders are required to register annually. In February 2003, the Illinois Supreme Court ruled that adjudicated juvenile delinquents who were adjudicated for crimes that would be predatory if convicted as an adult, would be required to register for life.

A juvenile sex offender who is convicted as an adult follows the registration procedures as would an adult offender and is subject to full community notification. Adjudicated juvenile sex offenders are subject to partial community notification:

- Only schools and licensed daycare facilities receive the list of adjudicated juvenile sex offenders and their names **do not appear** on the Illinois State Police Sex Offender website.
- The schools and licensed daycare facilities are not allowed to provide the names of these juvenile offenders to third parties.
- Local law enforcement and the Illinois State Police have discretion to provide names of the adjudicated juveniles to the public **only** when public safety is compromised.
- Adjudicated juvenile sex offenders are treated as juveniles during their entire registration period.
- The name of the juvenile offender will not be released to the public even after the juvenile offender becomes an adult.
- Improper release of juvenile information can result in a misdemeanor conviction.

RACE OF OFFENDER

Of the 17,157 convicted sex offenders which his or her race is known, 66 percent are White (includes Hispanic) and 33 percent are Black. Indians and Asians combined make up less than one percent of the convicted sex offenders in Illinois.

AGE OF OFFENDER*

Female sex offenders comprise only two percent of registered sex offenders in Illinois.

* The age of the offender is the current age and not the age at the time of conviction.

CATEGORIES OF SEX OFFENDERS

Criminal Sex Offenders

The criteria for registration is based upon criminal convictions for sex offenses. Sex offenders are required to register for 10 years from the date of conviction if sentenced to probation, or 10 years from the date of discharge, parole, or release if confined in IDOC. The majority of convicted sex offenders fall into this group.

Sexually Dangerous Persons

A judge may impose this label on offenders who have shown a criminal propensity for committing sex offenses, but who appear to suffer from a mental disorder. There are 144 sexually dangerous offenders presently incarcerated at Big Muddy Correctional Facility in Ina, Illinois. These offenders can only be released from IDOC when the court has determined that he or she is no longer dangerous. These offenders are required to register for the period of his or her natural life after release from IDOC. There are 33 sexually dangerous sex offenders registered and living in various cities throughout Illinois.

Sexually Violent Persons

Offenders who fall into this category are evaluated before release from prison and submitted for court review. If the court determines the offender is likely to re-offend, the offender will be placed under the jurisdiction of the Illinois Department of Human Services (IDHS) for control, care, and treatment until they are no longer considered to be sexually violent. A Sexually Violent Person may continue to be incarcerated or may be released. Sexually violent persons are housed at the Treatment and Detention Facility located in Joliet, Illinois. As of December 1, 2003, 210 offenders in Illinois are considered Sexually Violent Persons:

- 137 offenders determined to be sexually violent and committed;

- Six offenders determined to be sexually violent and conditionally released to the community; and
- 67 offenders detained pending trial.

Sexual Predators

Sexual predators are sex offenders who are convicted of a second registerable offense after July 1, 1999, or who are convicted after July 1, 1999, of any of the following offenses:

- ☐ Keeping a Place of Juvenile Prostitution
- ☐ Juvenile Pimping
- ☐ Exploitation of a Child
- ☐ Child Pornography
- ☐ Criminal Sexual Assault (if the victim is under 12)
- ☐ Aggravated Criminal Sexual Assault
- ☐ Predatory Criminal Sexual Assault
- ☐ Aggravated Criminal Sexual Abuse
- ☐ Ritualized Abuse
- ☐ First Degree Murder (if the victim is under 18 and the offender is over 17)

Sex Offenders Entered since July 1, 1999

- Since July 1, 1999, 3,076 sex offenders have been classified as Sexual Predators.

PARTNERSHIPS

In 1998 Sterling Police Officers, Local Government Officials and Sterling Citizens received training from the "Institute for Public Safety Partnerships". IPSP is a regional community-policing institute funded by the COPS office. It is dedicated to enhancing capacities of communities, police and other agencies to work together and build safer and healthier communities through a prevention-oriented approach to policing.

It soon became apparent to the over 100 in attendance that problem solving crime and quality of life issue can best be accomplished with citizen involvement.

S.C.O.P.E. 2000

S.C.O.P.E. 2000 is an acronym for Sterling, Community, Organization, Police, and Education. Working together, citizens, police and local government officials have attacked a number of quality of life issues in Sterling.

Apartment buildings not up to code, loitering, teen smoking and damage to property around schools and neighborhood clean ups are some of the problems tackled by S.C.O.P.E. 2000.

CHAPLAINS PROGRAM

The Police Chaplain program is staffed by volunteer pastors who rotate in a weekly on call status and ride along with officers to better serve the needs of the community. Their purpose is to provide care, comfort, guidance and encouragement.

Chaplains counsel domestic violence victims, respond on-call when needed for traumatic events, and deliver death messages. They often provide a calming influence in a tense situation.

CITIZEN ACADEMY

The citizen police academy is a crime prevention/informational program designed to meet the interests of the citizens of our community. This program is open to anyone and provides a general understanding of local law enforcement departments, the criminal justice system, telecommunications and patrol procedures, crime scene processing and investigations, crimes against seniors and their personal safety, gang awareness, drug enforcement and active youth oriented programs.

NATIONAL NIGHT OUT

“National Night Out” is a nation wide crime, drug and violence awareness program that provides the opportunity for Sterling to join with communities nation wide to promote cooperative, police-community crime and drug prevention efforts. In 1998 the Sterling National Night Out efforts were judged a National Award winner by the **National Association of Town Watch**.

Sterling and Rock Falls Police along with the Sterling Park District, Whiteside County Crimestoppers and a number of private businesses sponsor the event yearly, which boasts an attendance of 500 to 900 people.

NEIGHBORHOOD GROUPS

Officers working with aldermen have formed a number of neighborhood groups in Sterling wards. These groups have organized to overcome problems within their neighborhoods. Cleanups and park watches are some of the tasks that have been accomplished.

D.A.R.E. PROGRAM

D.A.R.E. Officer Maggie Ellmaker

The Sterling Police D.A.R.E. program is funded by the Sterling Police Department and Community fundraising. The program has been presented in Sterling schools since 1986. Nationally, criticism of the D.A.R.E. Program has been publicized. Locally in Sterling, all schools indicate that the program makes a difference.

Responding to critical studies, D.A.R.E. in Sterling is offered at various grade levels. DARE teaches kids about drugs, friendships, peer pressure, bullying, gangs and decision making processes. Sterling students therefore have character building educational contact with uniformed officers throughout their school years.

G.R.E.A.T. PROGRAM

Gang Resistance Education and Training was chosen in 1998 to replace the D.A.R.E. curriculum at the middle school level. At the time it was felt that this program would best suit the needs of Sterling Middle School students. G.R.E.A.T. alerts children to the dangers of joining a gang. The curriculum covers topics on peer pressure, taking risks, consequences, ways to say "NO", reducing violence, breaking laws and the penalties involved. Currently we have gone back to the D.A.R.E. Program at the Middle School after the Program was revamped.

“GREAT TIMES” SUMMER YOUTH PROGRAM

“Great Times” was developed as a summer component of the GREAT program. In 1999 the department realized that particularly during summer, children are often unsupervised and get into trouble during the day or early evening hours.

The “Great Times” Program was designed to be educational and basically “wear kids out” by the end of the day. The program works with 6th, 7th and 8th grade students three days per week over a summer time 8 to 10 week session. During the morning session, students play a “guess my occupation” game with a variety of professionals during a lecture, question and answer session. The importance of an education is brought home. Free lunch is provided and the afternoon session brings team building activities, sports or educational field trips.

The program has been funded by a yearly grant from Sterling Township. Sterling Unit 5 School District allows the use of Challand Middle School facilities.

Senior citizen volunteers, volunteers from various social agencies and city departments help with the afternoon activities.

The “GREAT TIMES” program was a second place 2000 Governor’s Hometown award winner.

This program is no longer being offered.

EXPLORERS

The Sterling Police Department Explorers Post 613 was chartered in 1994. The Law Enforcement Explorers program is a branch of the Boy Scouts of America for young men and women ages 14 to 20. Explorers learn the fundamentals of law enforcement through interaction with department personnel.

MOOSE MINGLE MIDDLE SCHOOL DANCES

In late 1999 Sterling officers spoke with members of the Local Moose Lodge 726 and Women of the Moose Lodge 267 in attempt to raise funds to support our "Teen Time" program. Following the presentation, Moose members asked what we were doing for the Middle School aged members of our community.

From that simple inquiry were born the "Moose Mingle Middle School Dances". Each month one dance is held for 6th, 7th and 8th grade students which now garners an attendance of 700 to 900 kids. The purpose is to give kids a positive activity in which they can "mingle" with police officers and adults from the community.

The response to the dances has been so tremendous that they had to be moved from the Sterling Moose Club to a Sterling Park District sports complex. The Moose Lodge provides snacks, pop, ice and dispensing equipment. Moose members along with parents, teachers and police officers volunteer to chaperone.

The Middle School Dances are a 2001 Governor's Hometown Award Winner.

This program is no longer being offered.

PEER JURY

The Police Department Peer Jury program began in October of 1996. The Peer Jury program is an innovative alternative used to divert non-violent first time offenders from formal court action. Offenders who agree to participate are judged by a jury of their peers and may be sentenced to public service. Failure to comply with the sentence violates the agreement and brings the offender into contact with Whiteside County Court Services.

BICYCLE RODEO

The Bicycle Rodeo is a yearly event that places emphasis on the importance of bicycle safety and everyday issues. The event encourages family participation; bringing mothers, fathers, aunts, uncles and grandparents together for a fun, educational proactive event.

Bicycle safety courses are offered to educate community members of all ages on Rules of the Road. The first 300 participants receive a bicycle helmet. Sterling Firefighters bring their fire safety house and CGH Medical Center paramedics display their ambulance equipment.

SHOP WITH A COP

The Sterling Police Department through partnership with K-Mart and the local PB & PA Unit #37 join forces each Christmas season to allow 20 needy children the opportunity to purchase Christmas presents for themselves and family members. Police Officers and Non-Sworn Personnel enjoy a few hours helping the children with their shopping spree and enjoy breakfast with Santa at K-Mart. PB & PA provides funds for each child and K-Mart provides discounts on the merchandise.

- Outstanding Police Action
- Citizen Praise Or Compliment
- Unusual Bravery
- Acting Beyond The Call Of Duty
- Unusual Attention To Duty

We are pleased to announce that these employees received Commendations in 2012:

Progressive Discipline

Police work is fraught with obvious and not so obvious sources of moral and ethical conflict. For that reason it is constantly reinforced throughout an officer's career that he or she is held to a higher standard of conduct than the public in general.

The Sterling Police Department operates on a code of conduct that consists of twenty-one simple standards. The code applies to the officer's life on-duty as well as off duty. The standards are not mysterious, arbitrary or unachievable. In reality, they are rules of life that all of us are expected to learn as we grow up.

During 2012 internal investigations were conducted with the following results:

2 violations sustained – reprimand

Citizens are encouraged to contact the on-duty shift commander or the office of the Chief of Police if any inappropriate behavior by a police officer or other employee is witnessed.
